

## Bharat Innovates 2026 Pitch Schedule

| Time        | Room 1: Space, Defence, Aerospace & Satellite Tech | Room 2: AI, Advanced Computing, Semiconductors & Communications | Room 3: Healthcare, MedTech & Digital Health | Room 4: Biotech, Pharma, AgriTech & Bioeconomy | Room 5: Energy, Sustainability, Climate & Water | Room 6: Advanced Manufacturing, Robotics & Mobility |
|-------------|--|---|--|--|---|---|
| 11:30–11:40 | Agnikul Cosmos                                     | ANANANT SYSTEMS   | Amyscan Healthcare                           | ATGC Biotech                                   | ALTMIN  | ABX3PV  |
| 11:40–11:50 | Bellatrix Aerospace                                | BigEndian Semiconductors  | Ayati Devices                                | Algorithmic Biologics                          | Amperehour Solar                                | CERATATTVA INNOTECH                                 |
| 11:50–12:00 | Dhruva Space                                       | CYRAN AI Solutions  | BrainSightAI                                 | Ahammune Biosciences                           | Exponent Energy                                 | Dheya Engineering Technologies                      |
| 12:00–12:10 | EON Space Labs                                     | Insightzz   | HaystackAnalytics                            | Curium Life Tech                               | Chara Technologies                              | ETHEREAL MACHINES                                   |
| 12:10–12:20 | Green Aero Propulsion                              | Nexactly AI Solutions   | Janitri Innovations                          | Eyestem Research                               | Karetic Energy                                  | Fabheads Automation                                 |
| 12:20–12:30 | Manastu Space Technologies                         | Quanfluence   | Lifespark Technologies                       | Fermbox Bio                                    | Kritsnam Technologies                           | Gudlyf Mobility                                     |
| 12:30–12:40 | Nabhdhrishti Aerospace                             | Soul Vision Creations / Avataar                                 | Marbles Health / Neuracle                    | Intello Labs                                   | LOHUM Cleantech                                 | IINDEPRO DYNAMICS                                   |
| 12:40–12:50 | OrbitAID Aerospace                                 | WiSig Networks  | NeuroEquilibrium Diagnostic                  | NANOSHIELD Vaccine Platform                    | MIDWEST ENERGY                                  | INDIGOTEX   |
| 12:50–1:00  | Pramatra Space Technology                          | BlueMachines.AI   | Niramai Health Analytix                      |  | PUR Energy                                      | Perceptyne Technologies                             |
| 1:00 - 2:00 | Break  |   |  |  |   |   |
| 2:00–2:10   | TakeMe2Space                                       |   | Noccarc Robotics                             | Niqo Robotics                                  | Quantsolar Technologies                         | RN Chidakashi Technologies                          |
| 2:10–2:20   | ideaForge Technology                               | —   | Periwinkle Technologies                      | OmniBRx Biotechnologies                        | Reio Systems                                    | ThinkMetal  |
| 2:20–2:30   | SatSure Analytics                                  | —   | Qure.ai                                      | Pandorum Technologies                          | Seismic Hazard Investigations                   | Torus Robotics                                      |
| 2:30–2:40   | Astrome Technologies                               | —   | SigTuple                                     | Sea6 Energy                                    | Solinas Integrity                               | TRINANO Technologies                                |
| 2:40–2:50   |  | —   | Tishyas Medical Device                       | String Bio                                     | UrjanovaC                                       | TSUYO Manufacturing                                 |
| 2:50–3:00   | —  | —   | East Ocyon Bio                               | Zerocircle Alternatives                        | VDT Pipeline Integrity                          | Whizzo Textiles                                     |
| 3:00–3:10   | —  | —   | Tricog                                       | —  | IROV Technologies                               | XYMA Analytics                                      |
| 3:10–3:20   | —  | —   | —  | —  | —   | The ePlane Company                                  |
